

NCBE to offer new line of insurance products through partnership with Philadelphia Insurance Companies

The North Coast Builders Exchange is partnering with Philadelphia Insurance Companies, one of the nation's leading carriers, to provide a new line of insurance products for our members.

These new products will be in addition to the group insurance programs that NCBE already offers its members for Workers' Compensation, as well as medical, dental, vision, chiropractic and other coverages.

The new insurance products to be offered through the Builders Exchange will include:

- **Business Auto**
- **Inland Marine/Property**
- **Builder's Risk**
- **Employment-Related Practices**
- **Contractor's Environmental Pollution Coverage**
- **Directors & Officers Liabilities**

PHILADELPHIA
INSURANCE COMPANIES

“There are advantages to our members and to the Builders Exchange itself in offering these new products,” said Keith Woods, NCBE Chief Executive Officer. “Members will find good rates from an excellent company and at the same time support NCBE.”

The decision to endorse Philadelphia Insurance Companies came from a recommen-

dation by NCBE's Member Services & Recruitment Committee, with approval by the Board of Directors.

Philadelphia Insurance Companies has been in operation since 1962, is AM Best Rated A+ with a S&P rating of AA-.

Members will be able to access everything through their current local insurance agent. In addition to excellent insurance coverage in the areas listed above, Philadelphia policyholders have access to a wide variety of risk management services, including discounted employee background checks, driver safety programs, employee discrimination and harassment training, and more.

Call your insurance agent for further information, or contact the Builders Exchange at 542-9502.
